

AWWA CROSS CONNECTION CONTROL INITIAL 32 HOUR COURSE

Personnel engaged in the installation and testing of backflow preventers are required to be adequately trained. Training is based on requirements found in the AWWA Canadian Cross Connection Control Manual and is offered to anyone who wants to pursue a career in backflow prevention.

AWWA CROSS CONNECTION CONTROL RE-CERT. 9 HOUR COURSE

This program is designed to allow participants to renew their existing AWWA backflow testers qualification. This class is 9 hours in duration, designed for currently certified AWWA backflow testers.
